## Elements of Art

**ELEMENTS OF ART:** The visual components of color, form, line, shape, space, texture, and value.

### Line

Line is the path of a moving point. Lines can be horizontal, vertical, or diagonal; straight, or curved; thick or thin.

*Vertical lines - lines that move up and down without any slant.*

*Horizontal lines - lines that are parallel to the horizon*

*Diagonal lines - lines that slant*

*Zigzag lines - lines made from a combination of diagonal lines*

*Curved lines - Lines that change direction gradually*

*Line Variation - adding interest to your lines is important in creating successful artwork*

*Length - lines can be long or short*

*Width - lines can be wide or skinny*

*Texture - lines can be rough or smooth*
